Breaking Down Barriers is a not for profit and a registered charity that is also an Independent Living Resource Centre. We are an inclusive agency, serving people with physical, sensory, emotional or intellectual disabilities both visible or invisible. We are located in Collingwood but serve South Georgian Bay, Simcoe, Bruce & Grey County. Our many activities, programs and initiatives continue to break down barriers that prevent the full participation of people with disabilities in our community. Our mandates are to empower people with disabilities by providing information, leading to options, individual control over decision making, independent living skills development and peer support. We offer programs and services that reflect our local communities by promoting a new perspective on disability.
